**(Substances of Very High Concern)**

We, Scosche Industries Inc. hereby guarantee that all the substance/preparation/article do not contain the SVHC (Substances of Very High Concern) outlined in Annex XIV (candidate list) of REACH Regulation in a quantity which exceeds the threshold limit of 0.1% weight by weight set out in legislation. The SVHC are specific in the candidate list released by ECHA in according with the EC Regulation 1907/2006, the Registration, Evaluation, Authorization of Chemical (REACH) requirements. The candidate list will be that in use at the date of this declaration.

Reference no.	Product Description
MPQ2WD-XTSP	Magic Mount Qi Window and Dash Mount
MPQ2V-XTSP	Magic Mount Qi Vent mount

We acknowledge that it is the obligation of every company which puts an article including one or more substances of the SVHC candidate list in a concentration above 0.1% weight by weight (w/w) into the EU market:

- To supply its clients with the name of the substance/s and all information requires to assure a safe use of the article;
- To provide sufficient information on request to a consumer within 45 days of the receipt of this request. The information must ensure safe use of the article addressing the entire life-cycle of the article.
- And we take responsibility to ensure we keep abreast of any updates to the SVHC list and ensuring that all products are not in breach of any regulations.

Furthermore, under the structure of the REACH regulation, SCOSCHE is a manufacturer of "ARTICLES" to our EU customers (according to ECHA's guidance for articles, the electronic components shall be considered as articles). We do not manufacture "substances" or "preparations" and our articles do not involve the "intentional release of substances". Accordingly, we foresee no registration or pre-registration or Authorization requirement for the products we supplied.

**We take full responsibility for the above declaration.**
